# THE ULTIMATE LOCKING MAT

Our patented design guarantees that your prints will never slip. They are a pre-assembled heavyweight bevel cut mat with a unique slide and lock feature which allows you to easily slide in your print and lock it in place. They are also completely reusable – simply slide out your print and you're ready to use it again. Once you've tried our Ultimate Mat, you'll never use another mat again!

The mats have a white core throughout. They are made from a professional Archival board, which conforms to the Fine Art Trade Guild requirements for Conservation (level 2). Each board is alkaline-sized, acid-free and calcium carbonate buffered for enhanced durability and longevity. For use in Premium Folio Boxes.

## BENEFITS
